Get started

1. Scan the code for your aircraft with your iPhone or iPad camera.
2. In Safari tap **Share → Add to Home Screen**.
3. Open it from your Home Screen. Your 7-day free trial starts straight away.

What's inside

1. Warning, caution and advisory lights, with the actions to take
2. Emergency and malfunction procedures
3. Normal checklists, drills and instructor mode

Training aid only, not for operational use. Always refer to the approved Rotorcraft Flight Manual, which takes precedence. Questions: jason.walburn@bigpond.com
